

# Service Technician - Scotland

Due to an increased workload and a change of location GRIMME Scotland are currently seeking to expand their team and hire a new experienced **Agricultural Service Technician**. This rewarding position would ideally suit a technician wishing to progress their career within the retail division of a market leading machinery manufacturer. In return GRIMME offers an excellent salary, a pension scheme that pays over the industry average, personal iPhone & iPad, medical insurance and the opportunities to progress within a dynamic organisation.

## Initial Responsibilities:

- Advanced in field machine diagnostics and seasonal repair of both Self Propelled and Trailed equipment
- Routine machine servicing
- Delivering customer expectations in line with department targets
- Mentoring of apprentice technicians inside the workshop environment
- Completion of appraisal work in a timely and profitable manner
- Machine PDI and Re-specification to both new and used equipment

## Requirements:

- Industry experience and knowledge of machine hydraulic / electric diagnostics
- Excellent communication skills
- Full UK driving licence
- Ability to work as part of a flexible team delivering industry leading support

## Benefits:

- Attractive remuneration package
- 24 days annual holiday
- Company vehicle and excellent pension contribution

## Further Information:

Please direct all interest and applications to our HR department in the strictest confidence via email: [hr@grimme.co.uk](mailto:hr@grimme.co.uk) or call Carley Owen on 07701 394134

**Closing date for applications 07 May 2021.**
