Digital spring

01.09.2025 until 31.08.2026

In addition to the well-known early order discount and early payment discount, GRIMME is offering a **promotional discount** for the GL 420 (TYPE.02520), GL 420 Exacta (TYPE.02521), PRIOS 440 (TYPE.02560), GL 860 Compacta (TYPE.02810) and GB 430 (TYPE.02910).

The promotional discount is granted for the following configuration:

Order includes:

- > Section control-compatible drive (single row deactivation)
- > Machine licence Section Control (SC)

- > The promotional discount applies in addition to the known early order discounts (condition sheet GRIMME Premium Partner Contract).
- > The commercial processing takes place as a promotional discount in the GRIMME Sales App / in the GRIMME Online Configurator.
- > The current 2026 price list applies.
- > Applies only to orders to end customers.
